Morning

New York Morning Tour

DUMBO is a neighborhood in the New York City borough of Brooklyn. On December 18, 2007, the New York City Landmarks Preservation Commission voted unanimously to designate Dumbo as the city's 90th historic district. The Flatiron building has been called "one of the world's most iconic skyscrapers and a quintessential symbol of New York City", anchors the south (downtown) end of Madison Square and the north (uptown) end of the Ladies' Mile Historic District. The neighborhood around it is called the Flatiron District after its signature building, which has become an icon of New York City. Washington Square Park is an open space, dominated by the Washington Square Arch at the northern gateway to the park, with a tradition of celebrating nonconformity. The park's fountain area has long been one of the city's popular spots for residents and tourists. Most of the buildings surrounding the park now belong to New York University.

New York Night Tour

Rockefeller Center is described as one of the greatest projects of the Great Depression era, Rockefeller Center was declared a New York City landmark in 1985 and a National Historic Landmark in 1987. Times Square is a major commercial intersection, tourist destination, entertainment center and neighborhood. One of the world's busiest pedestrian areas. And it's very charming at night. Great observation point in NJ, high up on the cliffs overlooking the Hudson River. There, you will enjoy what is considered to be the best night view of the New York City skyline.

Day 2

沃特金斯峡谷 Bus 尼亞加拉瀑布

All day

Guests will be picked up in New Jersey and New York in the early morning. We will head north to Secret Caverns (winter)/Watkins Glen (summer) in upstate New York. Later, we are going to see the renowned Niagara Falls. Overlooking American Fall, the Horseshoe Fall and the Bridal Veil Fall, you will be astounded by the deafening roar of the falls. It's the combination of height and volume that makes Niagara Falls so beautiful.

Itinerary:

(Summer: apply when Watkins Glen is resumed)

New York/New Jersey → Watkins Glen (Optional, 60 mins) → Niagara Falls

Illumination and night view

Special Notes:

1. Watkins Glen usually opens during late April to early November. We charge \$10/person for bus entry permit and parking of Watkins Glen State Park.
 2. We will visit Corning Museum of Glass (Optional, 75 mins) instead, in case of rainy weather considering safety issues.
 3. The completeness of night view on certain summer evenings may be limited or not available due to late sunset time and Government regulations on driving hours.
 4. The first night hotel might change to Toronto Area.
-

Watkins Glen State Park

Glen Creek has carved a dramatic gorge into the Watkins Glen hillside, resulting in a large,

cavern-like network of rock formations. Within two miles, the glen's stream descends 400 feet past 200-foot cliffs, generating 19 waterfalls along its course. The gorge path winds over and under waterfalls and through the spray of Cavern Cascade.

Night

Niagara Falls Illumination

For more than 75 years, visitors to Niagara Falls have been able to enjoy a nighttime illumination of the impressive American and Horseshoe falls. Every night, at dusk, visitors can experience the falls lit in the colors of the rainbow.

Day 5

New York City 1-Day Tour

All day

At a first glance, travelling around the entire of New York City seems like the mission impossible; however, our highly organized tour is especially designed for you: by visiting amounts of famous landmarks, you will learn more of the city's unique history, culture, and the core spirit of the New Yorkers!

Itinerary:

Central Park Walking Tour(Optional, 60 mins) → **Times Square** (20 mins) → **U.S.S Intrepid** (Optional, 60 mins) → **Liberty Cruise** (Optional, 60 mins) → **NYC Trinity Church** (Outside visit) → **Wall Street** (25 mins) → **Charging Bull** (Taking Photos) → **One World Observatory**(Optional, 70 mins) → **World Trade Center station**(15mins)
We will also Pass by: The Fifth Avenue, Rockefeller Center, World Trade Center and so on.

Central Park

Arguably one of the most famous parks in the world, Central Park is a manmade wonder. Not only is it the first public park built in America, but it is also one of the most frequently visited.

Times Square

Called "The Crossroads of the World," this major intersection in midtown Manhattan-- where Broadway hits Seventh Avenue-- is a world-famous icon of both New York City and the United States. It has appeared in countless forms of media.

U.S.S. Intrepid

This famous military history museum on Manhattan's West Side is inside the now-defunct World War II aircraft carrier, the USS Intrepid. The mission of the Museum is to promote awareness and understanding of history, science, and service through its collections, exhibitions, and programming in order to honor the heroes, educate the public and inspire youth. Exhibits include real military aircraft as well as recreations of military life aboard the ship.

Liberty Cruise

Any trip to New York City must include a boat cruise around the Statue of Liberty. This iconic landmark has stood in the city that never sleeps for more than 100 years, as a joint effort between America and France to celebrate the anniversary of America's independence. And the sightseeing cruise tour on the Hudson River to enjoy the city view from a totally different angle, as well as take pictures with Brooklyn Bridge.

Trinity Church New York

Trinity Church (also called St. Paul's Chapel) is the oldest public building that is in continuous use in NYC. The current church is the third on this site; the first Trinity Church was built in 1698.

Wall Street

This famous street in New York City's Financial District has become synonymous with American financial enterprises. It is also the home of the New York Stock Exchange, and has been (or still is) the location of several other exchanges.

Charging Bull

This bronze sculpture that sits at the northern tip of New York's Bowling Green Park is

ready to strike! It was commissioned to represent the "strength and power of the American people" after the stock market crashed in 1987.

One World Observatory

One World Trade Center is the main building of the rebuilt World Trade Center complex in Lower Manhattan, New York City. It is the tallest building in the Western Hemisphere. There, 102 stories up, find yourself face-to-face with New York's iconic skyline. Maybe you've seen views of the city before, but never quite like this. Walk the three sprawling levels of the Observatory and discover surprises along the way.

World Trade Center station

World Trade Center is a terminal station on the PATH system, within the World Trade Center complex in the Financial District of Manhattan, New York City. The \$4 billion Oculus station house, designed by the Spanish architect Santiago Calatrava, consists of white ribs that interlock high above the ground. The interior of the station house contains two underground floors, which house part of the Westfield World Trade Center mall.
