Morning

New York Morning Tour

DUMBO is a neighborhood in the New York City borough of Brooklyn. On December 18, 2007, the New York City Landmarks Preservation Commission voted unanimously to designate Dumbo as the city's 90th historic district. The Flatiron building has been called "one of the world's most iconic skyscrapers and a quintessential symbol of New York City", anchors the south (downtown) end of Madison Square and the north (uptown) end of the Ladies' Mile Historic District. The neighborhood around it is called the Flatiron District after its signature building, which has become an icon of New York City. Washington Square Park is an open space, dominated by the Washington Square Arch at the northern gateway to the park, with a tradition of celebrating nonconformity. The park's fountain area has long been one of the city's popular spots for residents and tourists. Most of the buildings surrounding the park now belong to New York University.

Night

New York Night Tour

Rockefeller Center is described as one of the greatest projects of the Great Depression era, Rockefeller Center was declared a New York City landmark in 1985 and a National Historic Landmark in 1987. Times Square is a major commercial intersection, tourist destination, entertainment center and neighborhood. One of the world's busiest pedestrian areas. And it's very charming at night. Great observation point in NJ, high up on the cliffs overlooking the Hudson River. There, you will enjoy what is considered to be the best night view of the New York City skyline.

Day 2

Corning Bus Watkins Glen Bus

Niagara Falls (Night View)

We are going to see the renowned Niagara Falls. Overlooking American Fall, the Horseshoe Fall and the Bridal Veil Fall, you will be astounded by the deafening roar of the falls. It's the combination of height and volume that makes Niagara Falls so beautiful.

Itinerary:

New York → Corning Museum of Glass (Optional, 75 mins) → **Watkins Glen & Finger Lake** (Optional, 90mins, will not be visited based on attraction closure.) → **Hotel** → **Niagara Falls Night Tour** (Optional, 90mins)

Special Notes:

1. Watkins Glen usually closes for the season during May to Oct, we will temporarily stop visiting Watkins Glen & Finger Lake.
 2. We charge \$15/person for bus entry permit and parking of Watkins Glen State Park & Finger Lake.
 3. We will visit Watkins Glen only when weather condition allows. In case of rainy weather, we reserve the right to change or cancel the itinerary considering safety issues.
-

The Corning Museum of Glass

In western New York is dedicated to the history, art, and science behind glassmaking. Its collection contains more than 45,000 objects, some of which date back millennia. Guests here will be invited to watch the Hot Glass Show which is performed by professional glass craftsman, and, will have chance to know how ancient Egyptian made the world first glass mask in 3000 years ago!

Watkins Glen State Park

Glen Creek has carved a dramatic gorge into the Watkins Glen hillside, resulting in a large, cavern-like network of rock formations. Within two miles, the glen's stream descends 400 feet past 200-foot cliffs, generating 19 waterfalls along its course. The gorge path winds over and under waterfalls and through the spray of Cavern Cascade.

Niagara Falls Night Tour

Get closer to America's Oldest State Park at Niagara Falls State Park! Enjoy some awe-inspiring sceneries and adventure-packed experience with us! Niagara Falls is actually not one waterfall, but three. The Niagara River flows down from Lake Erie and is divided by Goat Island. There, part of it flows to the horseshoe-shaped Canadian Falls (aptly named Horseshoe Falls), and the rest flows to the American Falls. At the American falls, the river is also split by a second small island, Luna Island, creating the third, small waterfall known

as Bridal Veil Falls.

Niagara In-Depth Tour

This interesting and exciting tour includes two popular attractions: the magnificent natural wonder - Niagara Whirlpool State Park and the U.S. historic landmark - Old Fort Niagara. The Niagara Whirlpool's greatest depth is 125 feet. It is estimated the whirlpool formed approximately 7,500 years ago by the upstream erosion of the Niagara escarpment by Niagara River. Old Fort Niagara is a rich historic landmark; it spans more than 300 years.

Its commanding presence on the great lake caused it to play a critical role in the French and Indian War, the American Revolution and the War of 1812. The gorgeous Lake Ontario lies behind the Fort.

Whirlpool Jet Boat Tours

Experience the Niagara River like no other way possible. The exciting boat rides take passengers on a thrilling trip down the Niagara River! This round-trip ride zooms through the Niagara Gorge, and even takes passengers to the famous Whirlpool rapids, all of a custom-built jet boat.

Cave of the Winds

The Cave of the Winds on the New York side of Niagara Falls is an attraction which allows sightseers to walk right up to the base of the Bridal Veil Falls with water crashing down right on them and flowing beneath the decking.

Maid of The Mist

It's the combination of height and volume that makes Niagara Falls so beautiful. More than 6 million cubic ft. (168,000 cubic meters) of water goes over the crest line of the falls every minute during peak daytime tourist hours. This famous Maid of the Mist ride gets passengers as close as possible to the Niagara Falls! The Maid rides right into the mists thrown up by the roaring cascade as the Niagara River tumbles over the edge of the falls.

Morning

Central Park

Arguably one of the most famous parks in the world, Central Park is a manmade wonder. Not only is it the first public park built in America, but it is also one of the most frequently visited.

Times Square

Called "The Crossroads of the World," this major intersection in midtown Manhattan-- where Broadway hits Seventh Avenue-- is a world-famous icon of both New York City and the United States. It has appeared in countless forms of media.

U.S.S. Intrepid

This famous military history museum on Manhattan's West Side is inside the now-defunct World War II aircraft carrier, the USS Intrepid. The mission of the Museum is to promote awareness and understanding of history, science, and service through its collections, exhibitions, and programming in order to honor the heroes, educate the public and inspire youth. Exhibits include real military aircraft as well as recreations of military life aboard the ship.

Liberty Cruise

Any trip to New York City must include a boat cruise around the Statue of Liberty. This iconic landmark has stood in the city that never sleeps for more than 100 years, as a joint effort between America and France to celebrate the anniversary of America's independence. And the sightseeing cruise tour on the Hudson River to enjoy the city view from a totally different angle, as well as take pictures with Brooklyn Bridge.

Trinity Church New York

Trinity Church (also called St. Paul's Chapel) is the oldest public building that is in continuous use in NYC. The current church is the third on this site; the first Trinity Church was built in 1698.

Wall Street

This famous street in New York City's Financial District has become synonymous with American financial enterprises. It is also the home of the New York Stock Exchange, and has been (or still is) the location of several other exchanges.

Charging Bull

This bronze sculpture that sits at the northern tip of New York's Bowling Green Park is ready to strike! It was commissioned to represent the "strength and power of the American people" after the stock market crashed in 1987.

One World Observatory

One World Trade Center is the main building of the rebuilt World Trade Center complex in Lower Manhattan, New York City. It is the tallest building in the Western Hemisphere. There, 102 stories up, find yourself face-to-face with New York's iconic skyline. Maybe you've seen views of the city before, but never quite like this. Walk the three sprawling levels of the Observatory and discover surprises along the way.

World Trade Center station

World Trade Center is a terminal station on the PATH system, within the World Trade Center complex in the Financial District of Manhattan, New York City. The \$4 billion Oculus station house, designed by the Spanish architect Santiago Calatrava, consists of white ribs that interlock high above the ground. The interior of the station house contains two underground floors, which house part of the Westfield World Trade Center mall.
