## **Afternoon**

### **Seattle Morning Tour**

Founded in 1975, Microsoft is the worldwide leader in software, services, devices and solutions that help people and businesses realize their full potential. Guests will have a chance to visit the famous Building 92(Microsoft Corporate Headquarters) to learn Microsoft's fascinating history and everything about one of the world's largest and most influential company. (Inside tour; tours are subject to closures for private events.) Also, we will go to University of Washington, commonly referred to as UW, a public flagship research university based in Seattle. Founded in 1861, UW is one of the oldest universities on the west coast and features one of the most highly regarded medical schools in the world. A new model for learning, collaborating and problem solving - the Global Innovation Exchange (GIX) has been launched here between two leading research universities, the University of Washington and Tsinghua University, with foundational support from Microsoft. It should also be reminded that the campus is famous for appreciating Cherry blossom.

### **Seattle Night Tour**

We will firstly travel to Seattle Great Wheel, which is a giant Ferris wheel at Pier 57 on Elliott Bay in Seattle, Washington. With an overall height of 175 feet, it was the tallest Ferris wheel on the West Coast of the United States when it opened on June 29, 2012. Next stop is Kerry Park where visitors can have a panoramic city view of the entire Seattle. It is a perfect location for photography and if you see Space Needle with a backdrop of Mount Rainier in any marketing photos of Seattle, this is exactly where to take the pictures. In addition, the park was one of the many stops on the finale episode of the third season of Amazing Race. At the same time, we will visit Starbucks Reserve Roastery and Tasting

## Day 3

### Mount Rainier National Park

Mount Rainier stands as an icon in the Washington landscape. Mount Rainier, also known as Tacoma, is the highest mountain of the Cascade Range of the Pacific Northwest, and the highest mountain in the U.S. state of Washington. An active volcano, Mount Rainier is the most glaciated peak in the contiguous U.S.A., spawning five major rivers. The top of the mountain is covered with snow all year round, and the glaciers radiate out to all directions. When snow melts, water flows down in large volume, creating the Rainier National Park with spectacular waterfalls, vast lakes and lush green forests.
