Afternoon

Seattle Morning Tour

Founded in 1975, Microsoft is the worldwide leader in software, services, devices and solutions that help people and businesses realize their full potential. Guests will have a chance to visit the famous Building 92(Microsoft Corporate Headquarters) to learn Microsoft's fascinating history and everything about one of the world's largest and most influential company. (Inside tour; tours are subject to closures for private events.) Also, we will go to University of Washington, commonly referred to as UW, a public flagship research university based in Seattle. Founded in 1861, UW is one of the oldest universities on the west coast and features one of the most highly regarded medical schools in the world. A new model for learning, collaborating and problem solving - the Global Innovation Exchange (GIX) has been launched here between two leading research universities, the University of Washington and Tsinghua University, with foundational support from Microsoft. It should also be reminded that the campus is famous for appreciating Cherry blossom.

Night

Seattle Night Tour

We will firstly travel to Seattle Great Wheel, which is a giant Ferris wheel at Pier 57 on Elliott Bay in Seattle, Washington. With an overall height of 175 feet, it was the tallest Ferris wheel on the West Coast of the United States when it opened on June 29, 2012. Next stop is Kerry Park where visitors can have a panoramic city view of the entire Seattle. It is a perfect location for photography and if you see Space Needle with a backdrop of Mount Rainier in any marketing photos of Seattle, this is exactly where to take the pictures. In addition, the park was one of the many stops on the finale episode of the third season of Amazing Race. At the same time, we will visit Starbucks Reserve Roastery and Tasting Room. It is more like a modern coffee factory. You will witness the machines roasting the freshest coffee beans and grinding the most concentrated coffee powder. You can also open your mind up, order a cup of the most creative coffee, or enjoy the latest Starbucks products. Here you can also see the whole process of unsealing and baking the original coffee beans.

Special Notes : Mount St. Helens Mandatory fee include: Admission, parking, vehicle wear and fuel surcharges.

Afternoon

Mount St. Helens

Mount St. Helens is an active stratovolcano located in Skamania County, Washington, in the Pacific Northwest region of the United States. This volcano is well known for its ash explosions and pyroclastic flows. On May 18, 1980, an earthquake struck below the north face of Mount St. Helens in Washington state, triggering the largest landslide in recorded history and a major volcanic eruption that scattered ash across a dozen states. The sudden lateral blast—heard hundreds of miles away—removed 1,300 feet off the top of the volcano, sending shockwaves and pyroclastic flows across the surrounding landscape, flattening forests, melting snow and ice, and generating massive mudflows
