Seattle Morning Tour

Founded in 1975, Microsoft is the worldwide leader in software, services, devices and solutions that help people and businesses realize their full potential. Guests will have a chance to visit the famous Building 92(Microsoft Corporate Headquarters) to learn Microsoft's fascinating history and everything about one of the world's largest and most influential company. (Inside tour; tours are subject to closures for private events.) Also, we will go to University of Washington, commonly referred to as UW, a public flagship research university based in Seattle. Founded in 1861, UW is one of the oldest universities on the west coast and features one of the most highly regarded medical schools in the world. A new model for learning, collaborating and problem solving - the Global Innovation Exchange (GIX) has been launched here between two leading research universities, the University of Washington and Tsinghua University, with foundational support from Microsoft. It should also be reminded that the campus is famous for appreciating Cherry blossom.

Night

Seattle Night Tour

We will firstly travel to Seattle Great Wheel, which is a giant Ferris wheel at Pier 57 on Elliott Bay in Seattle, Washington. With an overall height of 175 feet, it was the tallest Ferris wheel on the West Coast of the United States when it opened on June 29, 2012. Next stop is Kerry Park where visitors can have a panoramic city view of the entire Seattle. It is a perfect location for photography and if you see Space Needle with a backdrop of Mount Rainier in any marketing photos of Seattle, this is exactly where to take the pictures. In addition, the park was one of the many stops on the finale episode of the third season of Amazing Race. At the same time, we will visit Starbucks Reserve Roastery and Tasting Room. It is more like a modern coffee factory. You will witness the machines roasting the freshest coffee beans and grinding the most concentrated coffee powder. You can also open your mind up, order a cup of the most creative coffee, or enjoy the latest Starbucks products. Here you can also see the whole process of unsealing and baking the original coffee beans.

Day 2

Seattle City Tour

Seattle is a seaport city in Washington State, a commercial center in the northwestern

United States, located between King County, Puget Sound and Lake Washington. In many people's minds, it may be the classic movie "Sleepless in Seattle", may be a technology-look landmark Space Needle, may be the strong coffee aroma of the first Starbucks.

Itinerary:

Sky View Observatory at Columbia Center (Optional, 50 mins) → **Pike Place Market** (45 mins , where first Starbucks located) → **Space Needle** (Outside View) → **MoPOP** (Optional, 60 mins) → **Chihuly Glass Garden** (Optional, 60 mins) → **Pioneer Square** (Passing by) → **The Museum of Flight** (Optional, 90 mins)

Effective immediately: MoPOP, Chihuly Garden and Glass, The Mesume of Flight will be closed until March 27, 2020 due to the outbreak of coronavirus. Other attractions remain available as usual.

Sky View Observatory at Columbia Center

Sky View Observatory at Columbia Center, it is one of Seattle's new landmarks and most popular Observatories. Take the elevator to the sightseeing floor and enjoy a 360-degree panoramic view of downtown Seattle: the Ferris Wheel, Puget Sound, Space Needle, Microsoft, Mt. Rainier and more. You can also experience the world's most advanced 360-degree full-screen tower elevator experience: full-screen around, upwards it tells the Mt. Rainier, and downwards it tells you about the establishment of the city in Seattle, where you'll find the perfect panorama to begin your Seattle experience.

Pike Place Market

One of the oldest farmers' markets in the United States, the Pike Place Market first opened in 1909-- more than 100 years ago. The still-thriving market overlooking Elliot Bay sees more than 10 million visitors every year.

Space Needle

This icon of the American Northwest has adorned everything for movie screens to postage stamps. Built in 1961 for the 1962 World's Fair, the Space Needle features outdoor elevators and a rotating restaurant at its top.

MoPOP

The museum is founded by Microsoft co- founder Paul Allen and designed by Avant grade

designer Frank Gehryhe, located at the foot of the Space Needle. Its colorful appearance is made up by 3000 pieces of metal means to present the strength of music and the beauty of flowing.

Chihuly Glass Garden

This magnificent garden is an exhibit at the Seattle Center that displays the incredible glassworks of Dale Chihuly. The facility includes a garden, a glasshouse, interior exhibits, and a theater. Inside the glasshouse is a 100 foot long structure.

Afternoon

Pioneer Square

Pioneer Square in southwest Seattle, Washington is both the name of a neighborhood and the name of its central square. The Pioneer Square-Skid Road Historic District is listed on the United States' National Register of Historic Places.

The Museum of Flight

The Museum of Flight is the largest independent, non-profit air and space museum in the world! It is located at the southern end of King County International Airport (Boeing Field), south of Seattle. With over 175 aircraft and spacecraft, tens of thousands of artifacts, millions of rare photographs, dozens of exhibits and experiences and a world-class library, the Museum and its people bring mankind's incredible history of flight to life.
