Morning

The Corning Museum of Glass

In western New York is dedicated to the history, art, and science behind glassmaking. Its collection contains more than 45,000 objects, some of which date back millennia. Guests here will be invited to watch the Hot Glass Show which is performed by professional glass craftsman, and, will have chance to know how ancient Egyptian made the world first glass mask in 3000 years ago!

IMAX Movie (U.S. side)

In 30 minutes, you will witness Niagara Falls incredible stories and history that would otherwise take a lifetime to experience. No Niagara Falls vacation is complete without a visit to see the Niagara Adventure Movie. This movie, tells the history of human interaction with the falls, focusing largely on the "daredevils" who have crossed, boated, and even jumped off them.

Niagara In-Depth Tour

This interesting and exciting tour includes two popular attractions: the magnificent natural wonder - Niagara Whirlpool State Park and the U.S. historic landmark - Old Fort Niagara. The Niagara Whirlpool's greatest depth is 125 feet. It is estimated the whirlpool formed approximately 7,500 years ago by the upstream erosion of the Niagara escarpment by Niagara River. Old Fort Niagara is a rich historic landmark; it spans more than 300 years. Its commanding presence on the great lake caused it to play a critical role in the French and Indian War, the American Revolution and the War of 1812. The gorgeous Lake Ontario lies behind the Fort.

Whirlpool Jet Boat Tours

Experience the Niagara River like no other way possible. The exciting boat rides take passengers on a thrilling trip down the Niagara River! This round-trip ride zooms through the Niagara Gorge, and even takes passengers to the famous Whirlpool rapids, all of a custom-built jet boat.

Niagara Falls Night Tour

Get closer to America's Oldest State Park at Niagara Falls State Park! Enjoy some awe-inspiring sceneries and adventure-packed experience with us! Niagara Falls is actually not one waterfall, but three. The Niagara River flows down from Lake Erie and is divided by Goat Island. There, part of it flows to the horseshoe-shaped Canadian Falls (aptly named Horseshoe Falls), and the rest flows to the American Falls. At the American falls, the river is also split by a second small island, Luna Island, creating the third, small waterfall known as Bridal Veil Falls.
