### Tour introduction

## Day 1

Helen Town      Bus      Dahlonega

### All day

Head to north to Dahlonega which is a site of the first major U.S. Gold Rush. And then visit Stone Mountain Park.

#### Itinerary:

**In-depth Tour(Optional): Heading to Anna Ruby Falls (30 mins) + Brasstown Bald (45mins ) → Helen Town ( 30 mins ) → Dahlonega→ Dahlonega Consolidated Gold Mine ( Optional, 50mins )**

### Morning

#### Anna Ruby Falls Trail

Anna Ruby Falls is a pair of beautiful waterfalls, cascading in tandem through a beautiful slice of North Georgia forest. The twin waterfalls spill from a towering cliff in wispy white tendrils before splashing and pooling over mossy boulders. It is a great North Georgia outdoor destination in any season.

#### Brasstown Bald

Brasstown Bald is the highest mountain in Georgia, rising 4784 feet above sea level. Enjoys beautiful scenery views in a 360-degree view platform on the top of Brasstown Bald. Overlooks from Georgia's highest peak to see the rolling mountains of four states include Georgia, Tennessee, North Carolina and parts of South Carolina.

#### Helen Town

Helen is a city in White County, Georgia, United States, located along the Chattahoochee River. The town started as a home to the Cherokee, and then to European settlers who came for the gold and the timber. Today, people come for our Blue Ridge Mountain setting and the Southeast's finest Bavarian Village glimpse of Germany, right here in Georgia.

### Afternoon

#### Dahlonega Consolidated Gold Mine

The Consolidated Mine was a gold mine in Lumpkin County, Georgia, United States, just east of Dahlonega. Like most of the area around Dahlonega, the placer mining on the land on which the mine is located probably started during the Georgia Gold Rush. By 1880, the placer deposits were exhausted and the land was down to hard rock.

## Booking limit

---

- 1、 Age limit : **【No limit】** ;
